

SIX WONDERFUL THINGS

At St Peter & St Paul Aylesford

WE PROVIDE

Each week we are helping more and more families who are struggling.

WE CARE

Through regular contact, our pastoral team ensure that those who may feel lonely or isolated are cared for and supported.

WE REMEMBER

Every year we provide an opportunity for our community to remember the sacrifice made by our armed forces. We also provide a place for people to come and remember their own loved ones.

WE PRAY

We hold the life of our community in prayer through our daily acts of worship and prayer groups.

WE CELEBRATE

During baptisms, weddings and funerals we mark the important milestones in people's lives.

WE GATHER

To worship and give thanks to God for the love and support we receive.

THANK YOU
